

Virtual YP summit 2020

Date: May 28, 2020
 Time: 1:45PM-3:15PM PDT

Registration Link: https://zoom.us/join/zoom/register/tJ0lcempqzlrGdNhfr7A1bPa_v53FanQD8gH

Most of us are new to working from home and online meetings. But Lisa and Michelle from Maddaus Water Management are experts; their team is a well-oiled virtual machine here to give you some tips and tricks.

Michelle Maddaus is a registered civil engineer in California and has a wide variety of work experience in the water resources field.

Lisa Maddaus is a senior water resources engineer with experience preparing water resources planning studies for water suppliers across the country.

For more information contact Megan Livok: MLivok@wef.org
