RE: Approval of Amendments to Hawaii Section Bylaws

Dear Mr. LaFrance:

In January 2019 the AWWA Executive Committee approved proposed amendments to the Hawaii Section's bylaws. Section members were notified via email of the proposed amendments on April 16, 2019. Members were provided with 31 calendar days to review the proposed revisions, in accordance with Article XI of our current Bylaws.

These proposed revisions were voted on and approved by the Section membership with 96% of the returned 25 valid ballots voting to approve the proposed amendments.

With this notice, we confirm that the amendments to the Section's bylaws are now final and effective immediately.

Sincerely,

Kapiolani M. Street, P.E.
Secretary
Hawaii Section
